About State Library Victoria

For more than 165 years, State Library Victoria has taken pride of place as one of Australia's most trusted cultural institutions – a thriving, vibrant centre of learning and innovation with a collection of more than 5 million items.

Our visitation numbers increase each year, making State Library Victoria Australia's oldest and busiest state library. The recently completed \$88.1 million Vision 2020 redevelopment project transformed the Library by creating more space, new services and greater access to the world's best knowledge.
