Russell Street Welcome Zone art commission

State Library Victoria's exciting redevelopment project, Vision 2020, will transform Australia's oldest and busiest public library and one of Victoria's most important cultural institutions.

As part of the Vision 2020 redevelopment, we are commissioning the production of an artwork inspired by the Library's extensive collections of materials related to Victoria's flora, fauna and natural history.

The key objective of this commission is to produce a visually striking work that will welcome visitors to the newly redeveloped Russell Street entrance to State Library Victoria.

Email your application by 11.59pm on Friday 11 May 2018 to artcommission@slv.vic.gov.au.
